Dick,

I am told by (b)(6) that he has requested a Show & Display approval letter from you on behalf of NHTSA. EPA has granted his request for a Display exemption based on the information that he provided, all we are waiting for is a copy of your letter to complete our package. If you could fax or email this to me at your earliest convenience, I would appreciate it. Thanks.

Dick,
I have informed (b)(6) as of 1:30 today that his pending approval of the Display exemption with EPA is denied at this point because he has not fulfilled the requirements, one of which is your letter. I would like to hear your reason for denial tho'.

Subject: Display Exemption

Re: (b)(6)

This letter is in response to your application for EPA approval of vehicle exemption for the importation of the following non-conforming motor vehicle for the purpose of display.

(1) 2004 MG-TR Limited Edition

VIN: SAAR0W0K03D (b)(6)

Based on the information that you have provided, EPA hereby grants approval for an exemption for display purposes for this vehicle at the values outlined in your original letter of June 22, 2004.

I have enclosed a Memorandum of Exemption which contains certain conditions which we intend to ensure that the use of these vehicles is consistent with the purpose of the display exemption. Should you choose to accept a display exemption for the vehicle under these conditions, you must sign the enclosed Memorandum and return it within (5) days via fax to Mr. John Lefkowitz at 734-214-4809.

Sincerely,

David Gend, Engineer
